

Massachusetts Department of Public Health (MDPH) HIV/AIDS Bureau Funded HIV Testing Programs

The sites listed below are funded through the MDPH HIV/AIDS Bureau for at-risk individuals. Testing is also provided at family planning agencies, STD clinics, private physicians' offices, community health centers, and hospitals. For more information or to determine which site might be best for you, call the AIDS Action Hotline at 800-235-2331 or call the sites below.

Please see each agency listing for language capability of on-site staff (subject to change based on staff capacity). In addition, providers may coordinate with translation services to have services translated into needed languages.

*Integrated sites provide HIV counseling & testing, viral hepatitis vaccination & screening, and STD screening.

**Prevention and Education sites provide testing on a limited basis and may restrict testing to people who meet certain eligibility requirements or who participate in their prevention programs.
